

Sirius

Active DSC/Navtex/AM Antenna, Type A159

Part number: 62.044
Type: Vertical whip Active
Protection: Diode Clamp
Frequency: 0.1 - 30 MHz
Filter: Maritime VHF band
Impedance: Nom. 50 Ohm
Supply Voltage: 7 - 15 VDC through antenna cable
Coax inner conductor positive
(Absolute max 15.5 VDC)
Supply Current: App 19.5 mA
Temperature: -40° to +70° C
Connector type: UHF - Socket
(Coax cable to be mounted
with UHF - PL259 male)
Total height: 0.34 m
Weight: 0.25 kgs
Wind Rating: 200 kts
Colour: White
Mounting: 1" Brass Nut - Chromium plated
Materials: PU - painted fibre glass tube
and chromium plated brass
Nato Stock No. 5985226257699

All specifications are subject to changes without notice.
